Gill Winter - Organiser

Another successful session is behind us. We have enjoyed a varied selection of excellent speakers who brought their own personalities and expertise to entertain and educate us. Our U3A wouldn't be so successful if it wasn't for the dedication of members who selflessly donate their time and effort to ensure we have seamless and enjoyable meetings, so a big thank you to all of them.

It is the time of year when we turn our minds to our AGM, and the opportunities that are there for all members to investigate just how they can contribute to our U3A to keep it vibrant and attractive to all. This year we are facing a few changes, as you are aware. Myself, Anne Henderson (Secretary) and Ann Pollitt (Social Secretary) are standing down from the committee, creating openings for members, old and new to take up the challenge and help our U3A continue to march forward and bring even more success and growth. Remember, if we don't evolve, eventually the U3A will die.

This is my last chairman's report and I would like to thank all members for the support I have received over the years.
