

## U3A Local History Email – May 2021

I hope you are all safe and well and we are looking forward to restarting. We hope to start outside meetings on 29th June so please keep that date and 27th July and 28th September free. This month I've written an article on the Portsmouth and Arun Canal this is on the website.

### Chichester Roman Week 2021

Chichester Roman Week will be returning once again this May half term, with events taking place from Monday, 31 May - Saturday, 5 June! Talks are also being held in the Guildhall. The link below will take you to the Novium website

We are working on the programme and would like to hear from anyone who can make a contribution either outside or when we return to the hall hopefully on 26th October. We rely on members' input to continue to make the group such a success.

Our first meeting **29 June** (restrictions permitting) we will meet at Barnham Community Hall for a guided walk-through Barnham village. Meet in the car park and bring your own drinks

**27 July** we will return to Belinda's for a talk and walk through Walberton

The dates for the rest of the year are as follows:

**28 September**

**26 October (hopefully back in the hall)**

**30 November**

Please contact Sandra or me with your input for the programme as we return to normality. As we return, information will also go out in the Bulletin and of course an email will be sent to you with all the details.

Keep safe
