

ARUN WEST u3a February Monthly Talk

BOGNOR PICTUREDROME CINEMA

After almost 2 years of lockdown/covid, Arun West u3a held its first monthly talk at Yapton Village Hall on the 9th February, 2022.

Sylvia Endacott's presentation on the history of the Picturedrome Cinema was a great success and well supported by members of our u3a and guests.

Many photographs were shown of the Grade II iconic building which started life as new Assembly Rooms for the town in the 1880s - stage shows; dancing; roller-skating; badminton and community functions were all covered in the Picturedrome's early years. To-day the cinema shows all the latest films and live screenings of opera; theatre and ballet. The changes in fashion and transport over the intervening years was truly dramatic.

A very enjoyable afternoon. Thank you, Sylvia.
