

Our October Social event

On a sunny Sunday afternoon, 16 Arun West U3A members met at the Alexandra Theatre in the Regis Centre in Bognor for an afternoon's entertainment from the South Downs Concert Band which was called, "Strike up the Band".

The band was very good, with an exciting programme which was enjoyed by all of us. We were also treated to solos from the clarinet, trumpet and saxophone. Brilliant! They will return to Bognor Regis in March 2020; you should be there! Thanks to Kathryn and the Events Team for organising this outing.
