

Duck Homework

- Write a 4- or 8-line poem about a duck.
- Write a short piece from a duck's point of view and include what he/she hates and/or loves about being a duck.
- Write a description of a duck dish that you could see on a menu, without copying a duck dish from a menu.
- Write a short story suitable for pre-school children, about a duck.
- Write a joke which starts with '2 Ducks walk into a bar.'

This exercise is great for practicing different styles of writing, appropriateness, and suitability, all around single subject.
