

Think of a storyline, a scenario or a plot, a situation or a dilemma. Now write a short story or poem on your chosen story but give it an *unexpected* ending.

Sounds simple? Perhaps you will find it so, but these simple prompts can make you overthink and overwrite. So, try and avoid that.

Keep it simple and give it an ending *no one* could see coming.

Email to me if you'd like some feedback on your work and I will send you another project if you'd like one.

Remember, as with all projects sent, you don't *have* to do it, but I do hope you want to! 😊
