

Research required!

Do a little bit of research for this one and write a short piece of which you would choose and why, based on living in Scotland 2000 years ago.

(Word count 250 max.)

There is no right or wrong answer here – only what you would choose and your own reasons for that choice.

**If you lived 2000 years ago,
which would be the best to
own: a horse or a cow or a
dozen chickens? Why?**
