

2019 Accounts Commentary

Our 2019 Accounts have been examined and at the end of 2019 we had a balance of £10,241.93. Thank you to John Weir for his support.

The intention of the committee in reducing the membership fee was to reduce our reserves and we made a small loss of around £500. Therefore, unless there is a considerable change in our membership figures, we are likely to keep the fees at £9 for 2021.

We spent around a £1000 on equipment as we purchased two higher value items:

Projector

Table Tennis Table

Groups may make a proposal to the committee at any time and this will be considered at the next committee meeting.

We will be relocating to Keene Hall from August but the hire charges are not a great deal different from URC so this should not affect our budget significantly.

The committee decided to spend more on refreshments for the benefit of members. This has received positive feedback and we hope that many of you will enjoy these at Keene Hall.
