

Monthly Meeting and AGM - 17 May 2017

The chair and committee were very pleased that members turned out in force on a very wet day to show their support and ensure that the AGM was able to take place. 120 members were required to attend based on current membership total to ensure the required quorum of 20% was met. There were 175 members at the AGM.

Thank you.

Minutes of the AGM will be published on the website in a draft format for approval at next year's AGM
