

Monthly Meeting 21 November 2018

The Chair, Graham Jermyn opened the November monthly meeting by welcoming 115 members and guests and 6 new members who were introduced to the audience.

Graham thanked the members of the refreshment group who had supplied tea, coffee and biscuits to the meeting before going on to announce that tickets for the Christmas meeting on 19th December are now on sale at the Public Hall Ticket office for the price of £2. A ticket allows entry to a raffle as well as a seasonal buffet and entertainment.

The Beccles U3A news boards in the foyer of the Public Hall have been given a facelift and are well worth a look. The same has happened with the Events Board with a host of new trips organised for December and several months into 2019. If you fancy a trip somewhere before Christmas we have a trip to Elgoods Brewery in Lincolnshire for their open day on 1st December. There is also a trip to Ipswich on 5th December to visit their museums or do some Christmas shopping. Details are available on the website or ring Irene Squirrell on 01502 713622.

Following on the heels of Barry Darch, Ivan Crane, one of our Walking Group convenors has written a book containing 10 of his favourite walks in Norfolk and Suffolk.

The Vice Chair, Paul Gurbutt then provided some group information.
