

December 2015 Monthly Report

The December Meeting attracted the highest monthly attendance for the year with over 180 members and guests filling all the seats at the Public Hall including those in the balcony. Mulled wine and fruit drinks were served prior to being entertained by the Drama Group who gave a very humourist offering of an Irish version of the Twelve Days of Christmas. This was followed by some excellent singing of Christmas songs by the Singing For Fun Group accompanied by Diane Dungate on the piano. The Ukulele Group led by Brian Lever finished the trio of presentations with several festive pieces which allowed them to prove that they can also sing very well together. An excellent selection of food produced by Amanda Smith was then served. This was followed by a draw for 16 raffle prizes. As the meeting closed The Singing For Fun group popped up to send members home with "We Wish You a Merry Christmas".
