

Item 1

Volunteering on the Cromford Canal

I volunteer on the canal boat, Birdswood, at Cromford. We are a small charity depending on good will and commitment from volunteers.

As our passenger numbers are growing we are struggling to keep up with tea and coffee making as well as the hospitality and ensuring everyone's safety. Is anyone interested in helping to make and or serve drinks?

Trips run on various days and our rotas are very flexible to suit everyone's needs. The hours would be 11-4 pm with around 45 minute lunch time.

We can promise you good company and the beautiful Cromford Canal, with the chance (but no obligation) to be more involved if you so wish.

Anyone interested can call/text Vix Wilding on 07552055455 or email victoria@birdswood.org.
