
LIBRARY SERVICE FOR THE HOUSEBOUND

Q: Do you have family and friends who are housebound?

Q: Do they enjoy reading, watching DVD's or listening to music?

If so, do they know that your local library provides a complimentary collection and delivery service each month, run by volunteers?

What is available?

- Books – hardback and paperback with standard or large print
- DVD's – a wide selection of popular films and television programmes
- CD's – both talking books, radio programmes and music
- Cassettes – audio books

Recipients can opt for the type of book they prefer: modern, sagas, crime, historical, with preferred authors etc.

They are selected by the volunteers and delivered on the first Friday of each month.
