

### **Walk – Tuesday 14<sup>th</sup> November 2017**

Eleven of us plus Eileen's dog set out on an overcast but dry day on the blue line circular walk from Bure Park. This was an easy stroll around north west Bicester diverting to take in part of the Bure Park nature reserve. Seven of us then enjoyed lunch at the Kings Arms in Market Square.

### **Blenheim Park – Tuesday 5<sup>th</sup> December 2017**

On a rather cold overcast day eleven of us and Eileen's dog enjoyed a walk around some of Blenheim Park Estate. There was much activity around the park due to shooting parties but we managed to keep clear of them, although we didn't get to walk by the lake this time. Returning to the cars ten of us drove to The Rock of Gibraltar at Enslow for lunch.
