EXPERTS CHOICE

Many thanks to Richard Herbert for giving us his Expert opinion this year. Placings in reverse order.

3rd place (Number 9) Pauline Sutton. Good Composition and a touch of Humour.

2nd place (Number 8) Nick Morse. Technically, very good. A striking Image.

1st place (Number 11) Gill Barber. Spot on Focus and Exposure, with good depth of field. Sun in thirds, good composition, including 'lead in line' on the path. This is a well printed, Atmospheric Image, creating the "Made me want to be there" effect.

Small prize for Gill and DJ.

Many thanks to everyone who entered.
