Group information for 2021/22

Welcome back to Bolton U3A

Activities are already getting back in full swing and group leaders are looking forward to a busy year ahead.

For those of you who may be thinking of trying a new group, here are the details of what's on offer this year, but please check with group leaders that there is room for new members since some have limited capacity.

Please contact group leaders if you require any further information.

Bolton U3A is always open to suggestions for new groups, so if you have any interests, knowledge or skills that you would like to share through a U3A group please get in touch with the group coordinator.

There will be a change in group coordinator this year when Michael Howarth completes his time in office as Group coordinator. Duncan Macpherson has been proposed as a replacement, to be confirmed at the AGM.

On the 1st & 3rd Friday afternoons of the month
