

Aviation History 2020 Visit Plan

Wednesday 27th May, (Day before our normal meeting day to accommodate the venue)

Hucknall Flight Test Museum. Affiliated to the Rolls-Royce Heritage Trust.

Full details available at <http://huflighttestmuseum.co.uk>

This looks like a great Visit and the full package will cost £13.50 per head to include coffee/tea and biscuits on arrival and a presentation plus a guided tour and a buffet lunch before we leave.

Thursday 17th June, (A week earlier than our normal date as I am away on holiday)

De Havilland Aircraft Museum at London Colney.

Full details at <https://www.dehavillandmuseum.co.uk>

This is going to be a full day out as it is a little further away. The visit includes entrance, a 2hr guided tour and tea/Coffee and biscuits. The cost for this is £18 per head and payment will be needed in advance as they require a substantial deposit.

This museum has won a lot of awards recently so is well worth the distance.

Thursday 23rd July

The Midland Air Museum, (Next to Coventry Airport)

This visit is not confirmed yet so I will let you know when it is.

Full details at <http://www.midlandairmuseum.co.uk/explore.php>

They have quite a lot of aircraft not seen anywhere else so should be a really good day

Cost is around £7.50 per head. I will let you know the exact cost as soon as it is confirmed

I am willing to organize a visit in August if there are enough of you wanting to go. let me know your views. Maybe even a visit to The Shuttleworth at Old Warden on a flying day.

I will have the Visit sheets where you can advise whether you will be attending each trip available at our February meeting. You can of course advise me before if you wish.

Many Thanks

John
