March 2023

To all Members

Please note that the Annual General Meeting will take place at the Spotlight Theatre at 10.15 a.m. on the 18th May 2023 and will precede the usual monthly meeting.

This notice is to ask members for any motions they wish to be discussed and voted on by the membership. Please note that the foregoing will need to have a proposer and seconder.

Any member proposing a motion will be required to address the membership regarding the motion for up to 5 minutes and the membership will be given the opportunity of commenting on the motion. The proposer will have a right of reply prior to the membership vote. If there is no speaker against the motion it shall proceed to a vote without further debate.

Since the committee need to prepare a detailed agenda, including details of motions and candidates for election, and make it available to all members in plenty of time for the membership to read before the meeting, the deadline for proposals is 10th April 2023. A proposal form is attached.

Kind regards

Jane Burr
Secretary
