

Photography Group

The Photography Group outings are very dependent on the weather, so it was concerning when Thursday 27th October dawned with heavy rain. We were scheduled to go on a night shoot for the first time since 2019. However, as the day progressed the weather improved to such an extent that when we reached our destination of Westminster and the South Bank there were people in shorts and T Shirts. Being of a certain age though we had all gone prepared for a chilly evening !!

The photographers!

This is an outing we have enjoyed several times before, but it always provides the opportunity for some creative photography. Here is a selection of our efforts from the evening.

At present there will be no further outings this year apart from our Christmas lunch in mid-December. Outings will recommence on 26th January with a visit to the Photography Centre at the V&A Museum.
