

15% Discount at Coopers of Stortford

Coopers of Stortford offer 15% discount to a number of local U3As, **including Buntingford**, on production of your membership card.

Notes:

1. You do not need to use the voucher shown below. All you need to do is to show your Buntingford U3A membership card to claim the discount. However you may feel more comfortable also taking the voucher to back up your claim.
2. There have been reports of some staff at Coopers saying that the discount only applies to U3As which are closer to Bishops Stortford and it is not available for Buntingford U3A. **THIS IS NOT CORRECT.** I have an email from the Coopers Marketing Executive confirming that Buntingford U3A qualifies for the discount (she also sent me the discount voucher shown below). If you have any difficulties claiming the discount, please let me know via the "Contacts" page on the Buntingford U3A website.
