

U3A Newsletter request Books/Magazine recycling

If anyone has any books or magazines they want to recycle I'm happy to collect them NO CONTACT. Members can email me please buckleymd@yahoo.com.

Also if anyone has old mobile phone or computers, the recycling of these by charity is continuing and I'm willing to help with sending them on. The charity we support is the British Heart Foundation.

If someone would like items to go to a different charity that can also be done.

Thank you

Michael Buckley
