

Yompers October Trundle

The October outing was a walk starting and finishing at the Shustoke Reservoir. The walk was around four and a wee-bit miles and took in some well cultivated fields, and a stile or two, unfortunately not an awful lot of mud! Ho Hum!

Kick-off was from the Shustoke car park:

The walk was good going with lots of space for overtaking!

Although competition Was intense!

Time for a nosh and check out the competition again! Ho Humm!
