

Canasta 2023

Canasta group has been going for a while now and provides a happy afternoon of play for all levels of card player, meeting regularly on Monday afternoon and sometimes on a Thursday as well. Numbers vary from week to week, due to various holidays and commitments, so some weeks we have two tables, sometimes more. Play can be in groups of 2, 3 or 4 people, according to numbers.

We have a very gracious host, George, so we always meet in the same place.

If you would like to learn, improve, or teach us some Canasta skills, please contact us via the u3a website.
