

History Group 3 Report 2023

History Group 3 continues to thrive and meets once a month in person in Caterham Valley to discuss World History.

This is a very happy group and we recently enjoyed our first outing – an exploration of historic Spitalfields as part of our new subject – migrants.

Throughout 2023 we looked at famous leaders from history, ancient to modern, and found that while some of them did great things, they were also of course flawed human beings.

We regret we are not able to increase the size of the group due to limited space at the home where we meet, but warmly encourage anyone else to start a Group 4!!
