

Jack the Ripper walk Wednesday 22nd May

Embark on a chilling tour of London's dark past on the Jack the Ripper walking tour on Wednesday 22nd May 2024.

The tour is a private one just for London Discovery members and is for a maximum of 15 people. It lasts approx 2.5 hours. The cost will be £10.60 each if we have a full complement of 15 or £15.90 each if we only have 10 (and pro rata in between).

The tour leaves from Whitechapel station at 2pm and further details of the meeting point, travel arrangements and how to pay will be sent once I have confirmed your place. If you would like to meet before the tour for lunch then that can also be arranged.

During the afternoon we will meticulously retrace Jack the Ripper's path through Whitechapel, Smithfield and the City of London following the sequence of the five murders. We will also learn of a further suspected murder

Bookings will open on Monday 29 April at 10 am by email to:
