

# Publicity Officer Report 2023

- The closed Facebook Group is attracting more and more members, particularly from new members joining the group. We presently have 171 members compared with my initial target of 100.
- The external Facebook page is getting more and more response with 138 followers and 105 likes
- We participated in the Warlingham Hobbies Fair with a stand. It enjoyed a lot of interest and led to new members joining.
- Our main event is of course the Open Day which is designed to enable groups to sign up new members, members to socialise and our u3a to recruit new members. It was very successful with at least 20 plus new members joining and many groups attracting new members.
- A big thank you to everyone who supported the Warlingham Hobbies stand and all the groups and volunteers who supported the Open Day.

Paul Knight  
Publicity Officer
