

Sunday Solos Report 2023

We are a friendly group of people living on our own meeting on the last Sunday of the month at a pub or restaurant. We try to alternate between an English and non English menu. There are 18 people on the list with an average attendance of 10 - 12. We met at a relatively new Japanese restaurant last Sunday - Kinjo - for a lovely meal. We are getting to know each other and it makes a for a very pleasant sociable occasion.
