

Theatre Group Report 2023

By buying in quantity we are able to access highly discounted rates for tickets for London theatre. We do not arrange group travel.

When a production catches our attention an email is sent to those on the Theatre Group mailing list with all the relevant details. We have 180 members currently on the list.

This year we have had tickets for Oklahoma, Guys and Dolls (2 dates). Cabaret, Cirque du Soleil and a trip is coming up for Witness for the Prosecution.

Cirque du Soleil is planned for next March and we look forward to more trips in 2024. Any suggestions always appreciated.
