Editor comment

I am sure that we are all hoping that 2022 will see us all getting back to a more normal life , and the dreaded coronavirus can be successfully managed into the future.

The Cheshunt U3A has managed to weather the problems and challengers successfully over the past two years and here's hoping we can continue to do so .

To enable this to happen, we need to try and get more members involved in running groups and helping out on the committee.

Everyone involved with running our U3A , are just ordinary members just like you! I along with you, probably, retired or left full time employment

to get away from pressure and responsibilities of a working life. All I would say is that we do not get to our age, without picking up skills and interests, that could be used to help Cheshunt U3A . For my part, I muddle through organising this Newsletter and somehow with my very limited IT skills, it arrives here every month!

We saw and heard a perfect example of an interest group at the Christmas meeting last month. Jan and Barry Wallace have no formal music or singing experience, just an interest. They have over the years, shared their interest with the Singing for Fun group and the results were excellent , entertaining us at the beginning of the meeting.

Please have a think, talk to committee members and group leaders and see if you can contribute in some way .. its over to you!!,

Visitors

A Temporary Membership Fee of £2 is charged to visitors, and a dated receipt will be given. This confers all the advantages of Cheshunt U3A membership, including Insurance for that month only, during which time a group activity can be joined if there is room, on production of the receipt and payment of any group attendance fee.

Please support our popular raffle.

Raffle prizes for the monthly meetings have to be collected as the winning numbers are drawn , or they will be redrawn.

How to JOIN Cheshunt u3a The new membership year will run from April 1st 2022. However if you join before April we will extend your membership through to April 2023 at no extra cost. Our annual membership fee remains unaltered at £12 per person or £8.50 if you pay your main membership to another U3A . We will need proof if choosing the latter amount. The only exception to this is, if you want to continue to receive a copy of the THIRD AGE MATTERS magazine. We are having to ask individuals to pay for the postage which amounts to £3 per year. In which case the membership fee will be **£15 and £11.50 respectively**. Application forms to join, or to update your details please go to www.u3asites.org.uk/cheshunt welcome page and download a membership form or contact the membership secretary - bandjwallaceu3a@gmail.com

Meeters and greeters

This month members of the Cycle group are undertaking this task.

YOUR U3A NEEDS YOU. Message from our Chairman Steve Gollop

In March we will be holding our AGM during that month's meeting. At that AGM I will be stepping down as Chairman after four years in the role. During that time I have enjoyed being part of a friendly and enthusiastic committee and a vibrant u3a. It has also given me the opportunity to make contact with other U3As and local services to spread the word about what we are doing and the fun we are having. I know that whoever takes on this role will have an interesting and rewarding time but, to date, we are yet to find a volunteer to do so. Time is now beginning to run short and it is important that, to allow Cheshunt U3A to function fully, we find a replacement. If you think this is a position you would be interested in filling please speak to any member of the committee.

Planning Meeting on Friday 4th February at 10.15 a.m. at Cheshunt Church. Look forward to seeing you all there.

EXPLORING LONDON 2 Rosemary TRUNDELL 01992 621155

On 13th December, 2021 26 of us enjoyed our Christmas lunch at the Highland Restaurant in Broxbourne. They kindly opened on a Monday especially for us and so we had the restaurant to ourselves. Many thanks to Tony for organising this.

Our first trip of the new year on 12th January was a tour of the Mansion House with Exploring London 3. The building of a house for the Lord Mayor was suggested immediately after the Great Fire of London in 1666 and discussions continued for a number of years. The Mansion House was eventually built and first occupied in 1752. The Lord Mayor and Lady Mayoress use the Mansion House as their home during their year of office and they and their staff work there. The House is beautifully decorated throughout and the Saloon is lit by a set of magnificent cut glass chandeliers but the highlight of the visit must be the Egyptian Hall with its columns, gold leaf, statuary and stained-glass windows. It is regularly used for state banquets, dinners and receptions of all kinds including the Chancellor of the Exchequer's speech at the Lord Mayor's Banquet. Our forthcoming trips are as follows:-

Monday 28th February - Museum of London Docklands Port City Exhibition

Thursday 10 March - Tour of Vintners Hall

We meet on the third Friday of the month from 1.00-2.00 pm at Cheshunt Free Church. Our next meeting will be on 18th February.

EXPLORING LONDON 3 STEVE GOLLOP 01992 629209

In January a few of us joined the Mansion House trip organised by Explore London 2. A more detailed explanation of that trip can be found under their programme entry.

Thursday 3rd February - 1.00pm. Lunch at Hayta Restaurant, Hoddesdon. 2 course set meal £11, At today's meeting please let us have your menu choices and full payment.

Our next planning meeting is Wednesday 2nd February 11.15am at Cheshunt Free Church 27 High St. Cheshunt.

EXPLORING LONDON GROUP 4 STEVE SELL 01992 443012

The next planning meeting on Wednesday 9th February 2022 from 11.00am at St. Clements Church Hall.

We enjoyed another Christmas Dinner in the evening of 16th December at the Bulls Head in Turnford with 27 members attending. There were nine lucky winners in the free raffle. Thanks are due once again to Anne for organising the prizes and numbered place settings. On Tuesday 4th January 43 U3A members enjoyed a visit to the Kew at Christmas light spectacular. Although we went by coach again there was a slight complication because Richmond Council no longer permit coaches to drop off and pick up from outside the Victoria Gate entrance because Kew Road now has cycle lanes installed along it. This was not advised at the time of booking; however contrary to instruction from Kew the coach driver kindly dropped off and picked up from further up Kew Road by a bus stop.

Despite this small issue the light trail was again very impressive incorporating some old favourites with several new installations and an excellent twist to the grand finale in front of the Palm House. Once again, the coach driver obliged by taking us back via the West End Christmas lights. Although Regents Street lights had been switched off prematurely, we enjoyed Martyn's entertaining commentary to compensate.

Future events:

Friday 18th February – Steve's guided tour around Rochester. We will travel there by train.

Wednesday 23rd March – Past the Palace Guided Walk – funny and fascinating stories of royalty; discover royal hideaways, bolt holes, nooks & crannies

Thursday 7th April – Undiscovered London Guided Walk around Bermondsey, Butlers Wharf & Shad Thames – with features dating back to Victorian times: Grade II listed warehouses, cobbled street & overhead iron bridges

EXPLORING LONDON 5

John DURRANT 01992 629215

On Tuesday 18th January, 19 members visited Forty Hall for a guided Tour. The partly frozen lake was, as ever, busy with water fowl, and the 300 year old Cedars of Lebanon tree looked magnificent on the frost covered ground. We were welcomed into the Great Hall by our tour guide, dressed in 17th Century costume of wool and linen. Set in its own Estate, with walled garden, formal and informal gardens, lakes, lawns, and meadows, Forty Hall is Grade 1 listed and important to architectural English history as a fine example on the cusp between the medieval to modern style. Built by former Lord Mayor of London, Sir Nicholas Rainton, in 1632 the Hall stands on the edge of London and is important to understanding the growth of the Capital City and of the life and times of the merchant classes. The Elsyng Palace scheduled monument lies within the Forty Hall Estate. The palace is a unique and nationally significant archaeological monument, not only as the site of an early Tudor courtier's palace later developed by Henry VIII, but as a complex multi-phased landscape with a rich history stretching back to medieval times. The palace was also a childhood residence of King Edward VI and Queen Elizabeth I. The group then moved on to The Salisbury Arms, where the numbers swelled to 42. We enjoyed a festive lunch complete with Christmas Crackers, mince pies and coffee. Despite the chilly start, a great day was had by all.

Future visits planned:

Thursday 3rd March 2022 - Shakespear's Globe

Saturday 30th April 2022 - Crossness Pumping Station

Our next planning meeting will be on Tuesday 8th February @ 10.00am at the Beaumont Centre.

It will be a circular walk of about 5.5 miles in length and because it's still winter, there will be mud! The pub are happy to open for us at 9.30am so

that we can pre-order our lunch; it now seems to serve Greek food, but I suggest, if possible, that you check out their menu online beforehand. They are happy to prepare anything that isn't listed ie sandwiches, sausages, omelettes etc. If anyone has a problem in getting to the start, call me on **07594427190**. We had a surprisingly good turnout of 19 members for the January walk and managed to find the dreaded mud again, together with waterlogged fields, but the rain held off and there were some good views across the Hertfordshire countryside around Sacombe and Wadesmill. Let's hope for better things in February.
