To Barts' affiliated groups and all singing groups in and around the Borough of Broxbourne

Broxbourne Arts Forum would like to present a concert of vocal music as part of the summer programme for 2015 and we are hoping that many of our affiliated groups, together with others, will be able to take part, to offer as wide a variety of music as possible, from traditional to musical theatre and 'pop'. Three or four short items from each group—total time about 12 minutes—would be ideal, spread through the programme to provide contrast and balance. The only dates that the Civic Hall can offer are **June 11th, July 8th or 9th**.

If you have something from a show / concert, recently, or about to be, performed, it shouldn't mean a lot of *extra* work! For musical theatre items, it would be nice to have an approximation of costume, otherwise posh frocks and DJs, or your group's 'uniform' would be ideal.

It would be lovely to have a couple of concerted numbers to open and close—maybe something like *As Long As I Have Music / The Rhythm of Life / Sing, Sing, Sing, Sing (other suggestions welcome)*—with full harmony—to celebrate 'the voice' and the pleasure of singing.

If none of the above dates is feasible, maybe we could present an Autumn concert instead?
