

Coronavirus- Ideas for groups

LANGUAGE GROUPS

Languages - French, German, Italian, Spanish
New ideas for Groups – Sign Language

GENERAL

There is an International website www.u3asites.org.uk/international. There are reports about language groups that have done exchanges and visits to various countries. Go take a look and see opportunities to plan something different. It is a great opportunity to use video conferencing to improve your conversation, reading, translation, or even writing your experiences in another language.
