Photography Group

Would anyone like to join me in getting together to form a group for enjoyable, relaxed but skilful photography. Our aims will be to learn together, create opportunities to practise our skills and have fun in the process. We'll have some themed weeks, for example portraiture, landscapes and macro photography, and have mini challenges to focus on between meetings.

We'll meet every other week on Thursday mornings. Once I know who is interested we'll discuss a venue.

I am a retired photographer and videomaker with lots of experience in enthusing with, and supporting, groups of photographers.

Please contact Tom: 07890 872534, tomrhardwick@gmail.com
