u3a and submitted into [u3a Found in Nature.](#)**

Dear Peter

**Happy New Year. I hope you have had a lovely festive period and are
looking forward to the year ahead.**

It's so nice to know that, wherever we are and whatever we are doing, we are

all part of the u3a Friends community - and this spirit will carry us forward into the New Year.

You can watch a message from Liz Thackray and I at the bottom of this newsletter express.

I look forward to hearing about what your u3a gets up to in 2024.

very best

Sam Mauger,
Chief Executive

Looking forward...

u3a Festival 24

This year, the first ever u3a festival is taking place at the University of York between **18-20 July**.

There will be a wide range of activities, from sport to music and workshops. We'll be sharing a programme in the next few months. To get a

sneak peek of what to expect, read more [on the u3a Festival 24 page](#) and [watch our Festival vlogs](#) about the planning process so far.

What are you looking forward to in 2024?

Whether your u3a will be celebrating a milestone anniversary, or you'll be learning something new in your interest group, we would love to hear from you about what you are excited for in the new year. Let us know by emailing communications@u3a.org.uk

Learn something new

We run online learning events for u3a members and in January you can join in with yoga, meditation, mathematics - or learning about the French painter, Toulouse-Lautrec. See all these on [our events page](#).

Liz Thackray and I (Sam Mauger, CEO) wish you a very happy New Year
