January 2023

Welcome to a new year. I really hope that you will continue to enjoy the benefits of being a member of the u3a. Perhaps you will make it a new year resolution to come to a Speaker Meeting - listen to speakers on a wide range of subjects; meet up informally over a cuppa; go out and about walking, visiting interesting places; or have fun learning a new skill or pursuing a hobby. Whatever you choose, this is your u3a to enjoy. It was good to see so many participating at the SGM. I look forward to meeting you and invite you to be involved to help shape the future.
