

I hope you coped with the unseasonal heat and by the time you receive this, we will be in the 'season of mellow fruitfulness'. This Mini KiT has been put together to provide you with some key information and a few reminders about the events in the next couple of months. There is more information on the website and I would encourage, as many of you that can, to use it.

I am pleased to report that we were successful in the bid to SODC for Nordic Walking

I would also like to congratulate Diane Carver (Welfare Trustee) and Frances Wells (ex Special Interest Group Secretary who were nominated for a Chinnor Community Award. This is a worthy testament to all their commitment to the u3a and also raises the profile of the organisation.

On a sensitive subject of sending out information when a member has died. Some members appreciate this, but others have told us that they would prefer not to be informed in this way and so, Beacon users, please email syadchinnoru3a@gmail.com if you would like to continue to receive this information.
