

Summer School 2025

Climate Meters u3a interest Group Online

Booking Details

Summer school will be held at Warwick University from Friday 9th May 2025 – Monday 12th May 2025. You can book on as a single person, as a couple sharing a room or as a day student. Everyone coming must be a member of a u3a.

Having had a reasonable level of interest shown, we are now opening bookings and have agreed that if at least 20 people pay their deposit by 1st May we will go ahead with summer school.

The deposit is non-returnable from 9th May 2024, unless we manage to fill your place with someone else. The rest of the payment will be due on 1st August 2024. We are taking this in one payment in order to ease the life of the volunteer who is managing the accounts through a u3a bank account for us. We become liable for payments to Warwick at staggered times, and if you drop out we will be able to refund any of your money not already liable to Warwick. The cancellation table is below, taken from their terms and conditions:

- 25% charges will apply to cancellations made between 12 and 9 months prior to the start date of the event
- 40% charges will apply to cancellations made between 9 and 6 months prior to the start of the event
- 65% charges will apply for cancellations made between 6 and 3 months prior to the start date of the event
- 80% charges will apply for cancellations made between 3 and 2 months prior to the start date of the event
- 90% charges will apply for cancellations made between 2 months and 14 days prior to the start date of the event
- 100% charges will apply for cancellations made less than 14 days prior to the start date of the event

If you are concerned that you will lose money if you need to cancel, you could always take out private travel insurance. Again, if someone takes your place we can refund you; we do not aim to make any profit at all, just protect ourselves as we have no bank account or reserves to use for emergencies.

The planning group are busy planning a varied timetable, with a provisional booking already made with Heart Of England Community Energy's solar farm, details at <https://www.hecommunityenergy.org> for the Monday morning, after our last meal at Warwick.

The price may vary if the VAT rate changes and is included at the current rate of 22%.
