

Name of u3a: Tynedale
Group title: Environment group
Formed: December 2021
Leader: Liz Barnes,
Contact details: lizbarnes@hotmail.com

Format and key points:

We meet once month. Meetings take a variety of approaches - guest or member speaker presentations, discussion led, site visits, book studies.

Topics are varied too... e.g. carbon sinks, peat bogs, pesticides, farming, state of nature report, visit to recycling plant, wind turbines and renewables, economy of the environment, county council climate change talk, impact of game bird shooting...
