

Financial Policy

1 Purpose

All charities are required to determine their “Internal Controls” for running the charity, one of these being the Financial Controls, or Financial Policy.

A Financial Policy may simply be a documentation of the current unwritten procedures of a u3a, from which a more detailed policy may evolve.

This template is drawn from a selection of u3a financial policies and consequently includes some repetition of sections and procedures to illustrate the variety of policies that apply to small and large u3as.

Any u3a that is also incorporated may need to add additional sections.

Where applicable “Trustees” includes Board of Trustees /Board of Directors or committee members.

2 Trustees’ financial responsibilities

The trustees of Clitheroe u3a are responsible for:

- Safeguarding the assets of the charity.
- Identifying and managing the risk of loss, waste, theft or fraud.
- Ensuring the financial reporting is robust and of sufficient quality.
- Keeping financial records in accordance with the governing document and relevant legislation (e.g. Charities Acts, Companies Acts etc).
- Preparing Annual Accounts in accordance with the governing document and relevant legislation.
- The accounts should show a true and fair view of the state of affairs of Clitheroe u3a.

Trustees are jointly responsible for keeping full financial records. These include those of the u3a and all the interest groups, sub-groups etc., where appropriate. To enable the trustees to carry out these responsibilities, the financial procedures detailed below will be followed.

A copy of this policy will be given to all trustees on their election/appointment to the committee and made available to members on the website.

The policy will be kept under review and revised as necessary.

3 Banking

3.1 Bank accounts

- All bank accounts are in the name of Clitheroe u3a Third Age Trust and operated by the trustees.
- New accounts may only be opened by a decision of the trustees, which must be minuted.
- Changes to the bank mandate may only be made by a decision of the trustees, which must be minuted.
- The authorised signatories are the Chairman, Vice Chairman, Secretary and Treasurer and/ or other Trustee]. This responsibility cannot be delegated.
- All cheques must be signed by two signatories.
- The signatories are responsible for examining the cheque for accuracy and completeness.
- The signatories are responsible for examining the payment documentation (purchase invoice etc.) prior to signing the cheque or authorising an internet transfer.
- All bank statements must be sent to the Treasurer directly.
- Blank cheques will never be issued.
- Blank cheques will never be signed by one signatory for a second to complete later.
- Whenever practical two people should be involved in counting cash receipts.

3.2 Online banking

Where online operation of the bank accounts is in place only trustees approved by the committee will have access to this facility. The security of the online system is in line with the arrangements offered by Lloyds Bank and in accordance with the mandated approval limits.

3.3 Payment by bank cards

Operation of the online banking service is under the control of the Treasurer who has full access rights and is responsible for assigning the appropriate delegate rights, as agreed by the committee and in accordance with the bank mandate. All payments are authorised in accordance with the bank mandate. Access to the online accounts varies from bank to bank and may be via a card reader and personal access card or by logging on to the bank system with a personal password and access code. The issue of any bank debit or credit cards is not allowed. Online purchases for certain goods and services represents the most

effective, and in some cases, the only method of completing the purchase (e.g. theatre tickets). The committee will reimburse an approved purchase to the committee member or Group Convenor providing invoices are presented. The reimbursement will be as soon as possible after the purchase to reduce any risk of interest payments being charged. Prior approval must be given by the committee for equipment and other items to be purchased for the use of Clitheroe u3a or specific interest groups.

All invoices over £100 must be issued in the name of Clitheroe u3a.

Clitheroe u3a does not hold debit or credit cards.

4 Groups' finances

Interest groups are expected to be self-financing and can collect such sums of money as the group members and convenorship deem to be necessary to undertake their activities. The funds of these groups belong to the u3a. Groups are permitted to make any expenditure deemed necessary by the group members and the group convenorship and can withdraw money on request from the ringfenced funds held by the u3a on their behalf, as appropriate. The Treasurer, Group Co-ordinator and Group Convenor(s) need to agree what records they need to keep of the groups transactions in order to:

- Allow the Treasurer to keep accurate accounts for presentation to the AGM, for discussion with the trustees and to meet regulatory requirements.
- Allow the group members to understand how their monies are being managed.
- Maintain transparency and trust for all concerned.
- Minimise the risk of error and potential loss of funds.
- Allow group convenors to maintain cash floats.

4.1 Receipts

To manage the handover of cash and cheques to be paid into the Clitheroe u3a bank account the committee has decided that:

- Bank paying in slips will/will not be given to group convenors for this purpose.
- Group convenors may pay sums due by issuing their own cheque or paying online through their own bank account.
- Where applicable receipts will need to be given to group convenors, or acknowledged by email.
- Where net sums are being paid over this needs to be fully demonstrated to the Treasurer.
- Cash held back for cash flow purposes will be within the u3a's approved limits (they will vary by activity).

4.2 Payments

The committee will inform relevant group convenors as to the approved process for payments relating to:

- When a trip is organised by and paid through the u3a or paid directly by the members to the trip organiser.
- When payments may be deducted from activity revenue:
 - Venues
 - Coaches
 - Tutors
 - Speakers
 - Other
- When payment for venues, coaches, tutors, speakers etc must be paid by the u3a.

Outside speakers should be asked to state their fees and any travel costs at the time of booking and agreement to pay obtained from the Treasurer.

Where the committee has agreed the use of a paid tutor, they must provide evidence of their self-employed status and invoice the u3a as agreed.

The committee (via the Treasurer) will monitor the income and expenditure of the groups. Group convenors need to provide regular information, as agreed, to the Treasurer. Where groups do not comply then the committee will review as to whether the group is legitimately operating in line with the insurance and financial requirements.

4.3 Social activities

Events such as theatre trips, visits or educational days out must be charged at cost and all participants pay appropriately. The costs paid by members must cover out-of-pocket expenses.

The organiser of an event must not benefit from any discount (e.g. a free place) offered by the organisation providing the event. The value of free places must be shared out among all participants to the event.

Out-of-pocket expenses can be paid to an organiser out of the money collected for the event. As all u3a members offer their services free to the movement, the organiser(s) must not get any pecuniary reward for organising an event.

4.4 Payments to other charities

In line with charity law, a u3a cannot raise funds for another charity that does not have similar charitable objectives. Clitheroe u3a will make payments to speakers who have indicated that they intend to donate their fee to a specific charity but not direct to their nominated charity.

5 Expenses policy

Out of pocket expenses incurred by the volunteers who are involved with running the u3a will be reimbursed. Expenses will include – with committee approval – attendance at the Trust’s AGM and Conference or national/regional workshops.

Expense claims should reflect the cheapest travel option available. Travel by car will be reimbursed at the current rate approved by Clitheroe u3a committee (30p per mile in 2024) for the actual mileage travelled. Car parking and congestion charges can be reclaimed (with receipts) but parking or other fines will not be allowed.

Overnight accommodation will only be allowed in exceptional circumstances and will need the prior agreement of the executive committee.

6 Membership Fees and membership of more than one u3a

The membership fee is reviewed on an annual basis. Clitheroe u3a is committed to keeping the membership subscription as low as possible to ensure that the u3a remains accessible to all members.

7 Asset register

An asset register is maintained by the Treasurer which records all assets held including their initial purchase price, date of purchase, estimated nominal value and location. It should be noted that under a receipts and payments reporting system, all assets are fully written off against receipts in the year of purchase. The register is reviewed annually.

8 Reserves

Clitheroe u3a aims to keep a level of reserves that will cover 12 months of regular operating activity. This is considered by the committee a reasonable level for this type of charity. Currently £3,500 for the year 2024.

Social account activities are excluded from this figure as these activities are inflated by high-cost activities such as theatre visits and days out and are entirely self-financing.
