A Cruise on the Nile:

A talk by Anne Tithecott

.....

Thursday October 7th: Talk - TBA

The day has come at last! We are meeting up again after so many months of restrictions.

It will be so nice to get back into the routine of meetings and member led activities, although we will need to ease our way back into some of those activities until we feel more comfortable. Not all of our group leaders will be ready to hold meetings in their homes at the moment and using public transport might also be a challenge for some members.

As always, we are looking for ideas on how we can improve things for our current members as well as encouraging the recruitment of new people. Why not bring a friend to the next meeting or suggest activities you would initiate and support in the future?

Culture Vultures – Turner Prize Exhibition Visit on 14th October

It's been a while since our last Culture Vultures outing, but what better way to resume our activities than with a visit to the Turner Prize Exhibition at the Herbert Art Gallery & Museum. Our Chair, Bill Day, has a few (free) tickets for 14th October at 11.30am, which he will distribute on a first come first served basis. So, if you would like to come along, please contact Bill by e-mail only on: covsherb.chair@hotmail.com

Unfortunately, there is a restriction on the number of tickets that an individual may order, hence the small number of tickets which Bill is able to offer. However, if you are unsuccessful in getting a ticket through Bill, it should still be possible to order the free tickets for yourself on a range of dates from: coventry2021.co.uk/

The exhibition of the Prize's five shortlisted artist collectives will be presented from 1 October 2021 to 12 January 2022, with the announcement of the winner on 1 December 2021.
