

Crouch Valley U3A Monthly Meeting

The proposed monthly meeting for March scheduled for Tuesday 24th March has been cancelled. The decision has been taken by the committee in light of the Coronavirus epidemic which is currently having such an effect throughout Europe and beyond.

We have not taken this decision lightly but we feel that as our members are among the most vulnerable groups in society we did not want to put any of you at any more risk that you already face in day to day life.

We will continue to monitor the situation and will be guided by the advice given by Government and the Medical Authorities and therefore cannot say with any certainty when we will be able to get back to normal.

We will keep in touch with our members via emails and the website regarding the ongoing situation especially as our AGM is due in April and of course the renewal of memberships.

Thank you all for your understanding.
