

Crouch Valley U3A - AGM - 24 APRIL 2018

From the Secretary's desk

I am now coming up to the end of my third and , what I had hoped , would be my final year as your Secretary. However, it seems that no one is willing to step up to the plate and take over from me, so I am soldiering on for a final year, always assuming, of course, that I am re-elected at the AGM!

A challenging year, there has been a lot going on including a change in the Objects Clause of our Constitution, and I have endeavoured to keep you up to date with National and Regional events at our monthly meetings, these being of course in addition to our own events which we run and will no doubt be mentioned elsewhere and in the upcoming Newsletter.

Minutes are taken at all Committee and AGM meetings to record decisions taken on behalf of the membership.

As always, I would encourage you to keep an eye on our own excellent and National websites, as well as the Third Age Matters magazine. There are literally dozens of events, seminars, summer schools, study days, conferences, craft sessions etc. throughout the year to suit all tastes and interests, so why not join in?

Remember, your Committee works hard on your behalf, please give them your full support and have fun!
