

SOUTH WOODHAM FERRERS - FOODBANK APPEAL

With the current situation regarding the Coronavirus The Rotary Club have made a direct donation to Chelmsford Foodbank so that they can continue to provide supplies to those in need of food and essential items in South Woodham Ferrers. We felt that monies raised by the club from the public be put back where needed in the town.

As you may have read in the papers and heard on the news Foodbanks in general are desperate for supplies of essential items. The club has set up the following campaign where residents in South Woodham can if they wish make a direct donation vis our Just Giving page. There is no minimum or maximum but we considered it was a way the club could do its bit in these very challenging times.

Please visit our website <https://www.swfrotaryclub.co.uk/> and scroll down to Coronavirus Update – Important Information and click on the link SWF Rotary Foodbank Appeal where you will be directed to our Just Giving page and be able to make your donation.

Many thanks in advance for your support.
