

U3A communication

Radio 4 - You and Yours on Monday

I am pleased to let you know that Eric Midwinter, one of our founders, has been asked to speak on the Radio 4 programme, "You and Yours" at lunchtime on Monday 12th December in recognition of achieving 1000 U3As. This was the programme where the U3A concept was first aired by Eric all those years ago in 1981.

I thought you may want to know in case you wish to tune in. Please let your members know too. Should you be unable to listen at that time it will be available in the episodes section of the You and Yours area of the BBC website
