

London Region of U3As Summer Walks and Visits Programme 2024

London Region Events Team has decided to try something new this year instead of the conventional 2-3 day Summer School. We are offering an exciting programme of 31 guided walks and visits to museums and galleries around central London between **May 21st and July 23rd**.

There will be a choice of guided walks in areas such as Westminster, South Kensington, Bloomsbury, Fitzrovia, Camden, Regents Park and The City. In addition, there will be guided tours or lectures at visitor attractions such as the National Portrait Gallery, British Museum, Victoria & Albert Museum, Guildhall Art Gallery and Natural History Museum

Bookings will be launched Friday 22 March. We shall upload the Programme to the [Events](#) page of the London Region website. We'll send a reminder, but this advance notice is to help you plan your summer and get ready to book.

With best wishes on behalf of the London Region Events Team
