Subscriptions and Gift Aid

Gift Aid is a scheme whereby charities receiving donations can claim back tax which has already been paid by the donors. The benefit to the Dart Valley U3A is therefore significant, whilst the donor incurs no costs.

As a member, you need to sign the declaration only once. It then remains valid until you notify us of a change in your wishes, or that you are no longer a tax payer. No further information is required by the charity.

The scheme is of course, entirely, voluntary but if you wish to participate please complete the declaration below:
