

Bourne U3A Railway Group

If it's on Rails – it's us!

We are a small group of railway enthusiasts who never had time whilst working to follow our interests. Now we have retired – we do!

Our aim is to visit as many and varied railway centres as we are able – usually as a day visit, travelling by train or, sometimes, by car.

We meet every first Wednesday in the month in Wake House (Bourne, North Street) to finalise details of our next trip and to decide on future trips.

Why not join us – you will be made most welcome and maybe, you can add something to our group that we currently lack. There are 24 of us at the moment, but we need more members as many of our visits require “minimum numbers”.
