

## CURC AT STUART HOUSE, GREEN LANE, DE1 1RS DERBY

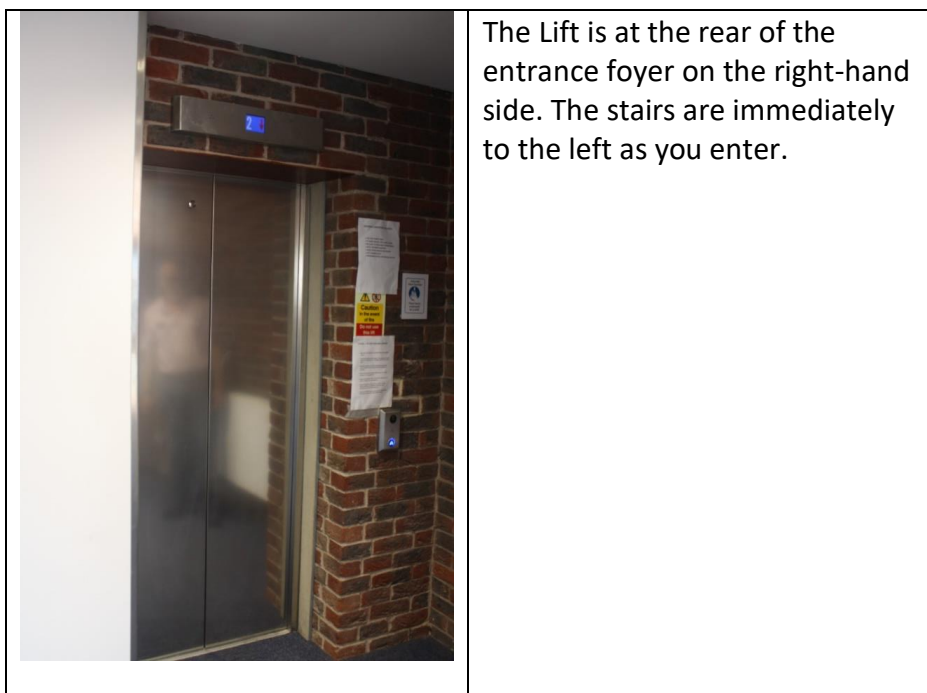

### INFORMATION FOR GROUP MEMBERS

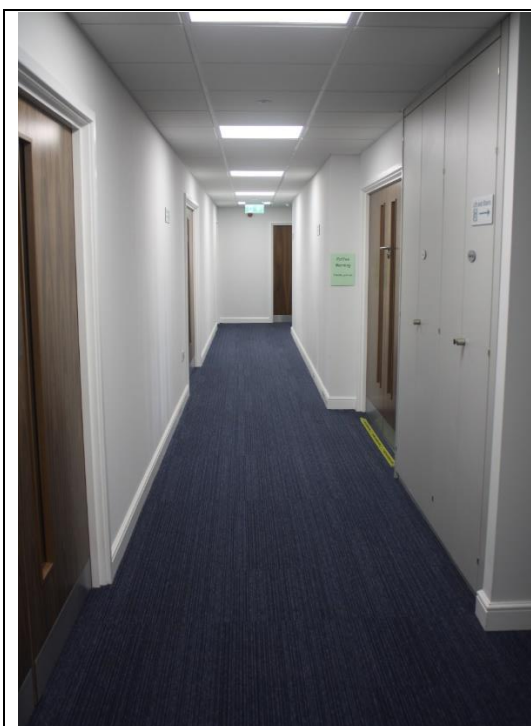

The front door at Stuart House is always locked to prevent unwanted “visitors”.

Please assemble with other group members outside the front door at or about the meeting start time and wait to be let in by your Group Organiser. Please be patient and do not call the Duty Manager or try and access the building as others come out.

**Please wear a mask in the communal areas of Stuart House. Your group organiser will show you to your group’s allocated room on Floor 1 and operate the key pads.**

Room 1 is the nearest of the three available rooms.  
The toilets are on the right across the corridor from Room 1.

Hand sanitisers, surface wipes etc will be available in the room for you to use.

**If you are going to be late, please telephone your Group Organiser who will come and let you in when you arrive.**

At the end of the meeting, go down to the ground floor and use the green button to the left of the main door to open the door to exit the building.
