

Message From the Chairman

Hello and Welcome to the August newsletter, summer is clearly in full swing, unreliable weather being the main feature.

The AGM was held after John Sharman’s fascinating talk on the realities of living in space. While Mary Wells retired as Secretary and from the committee, we now have a new committee member, welcome Anne Firth, and Amanda Evans has agreed to be our new Secretary. Thanks to Mary for her sterling work over the years, and to all Committee members for their continued commitment. There is still a chance to join the committee, we have one place left. If you are interested in helping out please contact me or any committee member for a chat.

Maggie Bray

Thank You Mary!

Mary Wells has been our Secretary for five years and is now stepping down. She has given so much of her time and energy to u3a for which we are immensely thankful and, on behalf of all our members, we wish her well. We are delighted to say that Mary is continuing as Group Leader of the Classical Music and Opera Group.

Our New Secretary!

Big Thank You to Amanda Evans for taking over the role of Secretary

Dogwood Productions Another Winter's Tale

Dogwood Productions is a Community Interest Company, so not for profit, which brings theatre shows with music and puppetry to village halls. They will be touring "Another Winter's Tale" in November and are visiting Driffield on the 19th. Bar takings will be going towards the Community Centre's funds so please do come along and support them.

<https://www.dogwoodproductions.co.uk/another-winters-tale>

Two characters eternally on the run, but from whom or what? Sheltering from the storm outside, they share the tales of distant times and faraway lands, awaiting... Will their past catch up with them before the clock strikes?

In the darkest of winters comes the brightest of tales...

August Birthstone—Peridot

One of the lesser-known gems, peridots come in shades from grass-green to a more earthy olive hue. They're a unique gem and quite rare as they can only be found from two very different sources – they can be formed deep in the earth and expelled to the surface along with lava, and they can be found in meteorites! It is claimed that peridots have healing powers and can protect the bearer from evil.

Away Days

Outings will take place approximately every six weeks starting in March through the summer months with a Christmas outing to include a Christmas market and a meal.

Coach departs from Driffeld Rugby Club Car Park at 9.00am

and approximately 4pm from venue arriving back in Driffeld at approximately 6pm

Food may be available at or near the Venue or you can take a picnic lunch with you

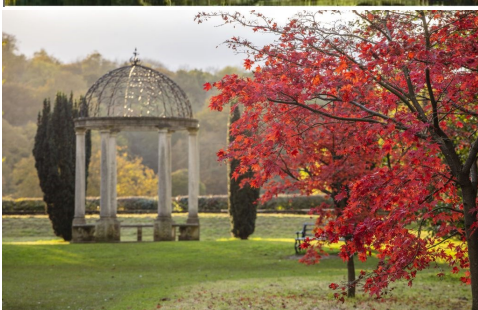

Please book early by emailing: maureenblackwellu3a@gmail.com or by phoning 01377 253183

The u3a Away Day this month found us in Halifax, first at Shibden Hall then the Piece Hall. If you want an adventure do come and join the Away Days!!! We all arrived safely at the first venue and had a good look round. It's a beautiful old house with lots of 16thC/17thC wood paneling. On leaving our coach broke down on the very busy main road going into Halifax! A major problem which was solved by getting a local coach company to come and rescue us. We arrived at Piece Hall rather later than planned. It would be best out of season as it was all set up for music festivals so views were blocked by a large stage. We were however remarkably lucky with the weather and, despite our misfortunes, the sun shone for us. Another coach was sent to bring us home. Well done to all with their patience, understanding and support of each other.

Friday 15th September—Thorp Perrow Arboretum—£30 per person

Take a stroll in the Arboretum, enjoy the wonderful Bird of Prey displays, or hand feed the wallabies in the Mammal Centre. There is a lot on offer including fun seasonal trails, 100 acres of beautiful Arboretum and woodland gardens with one of the finest collections of trees in the North of England.

Thorp Perrow is also a leading centre for raptor conservation.

U3a Holidays—2024

Southern Ireland—8th September 2024

We now have the final details of this holiday and we are currently negotiating with the coach company/hotel regarding the solo traveller supplements to try and get the cost down. As soon as we have the final costings we will pass on this information. You will be able to secure this holiday with £50 per person deposit. However, this holiday is absolutely full/over subscribed and there are no places left. Everyone who expressed an interest will be contacted as soon as possible. Thank you for your patience.

Scotland—6th January 2024—Duke of Gordon Hotel, Kingussie

We have now secured this holiday with Cairngorm Travel. The cost is £239 per person. Unfortunately there is a single supplement for our solo travellers—the travel company will advise on booking—but I can promise you that it is extremely reasonable after much negotiation!

We are booking direct through Cairngorm and they would like deposits of £50 per person before 30th August 2023.

We will be sending all the holiday details to everyone who expressed an interest by email so **please check your inboxes** (and spam!). The email should be self explanatory but if you have any queries please get back to us.

This holiday is not exclusive to u3a but our members do have first choice. We book direct through the coach company and individuals may take out their own travel insurance. If you have any family or friends who wish to join us please let them know. We still have a few places left **but no single rooms** as these are fully booked.

Thank You All for Your Support!

The Discussion Group

The group meets every Friday at 9:30 am in the Driffield Community Centre
All u3a members are welcome to join us

We used to be the Study and Discussion group. It sounds a bit “back to school”, doesn’t it? Perhaps it is. I don’t think any of us are too old to learn something new. This group has been part of the Driffield and Wolds u3a for about 20 years now and we still find interesting things to talk about. So what do we do? We meet once a week in the spring, autumn and winter with a break for the summer, and we talk about things. What kind of things? Over the 5 years that I have been a member we have discussed history, art, science, medicine, books, poetry, mathematics, politics, our heroes...and pretty well anything we can think of.

As the Study and Discussion Group we often started our meetings by having someone talk about something for half an hour or so. Then we’d discuss it. What we have found is that we tend to enjoy the discussion a lot more than the “lecture” so now we just go straight to the discussion. From now on we are the Discussion Group.

We no longer have a set format for our meetings. If we’ve chosen a topic where one of us thinks he or she is an expert, then they might talk about it for 5 or 10 minutes before we discuss it but usually we’ll just launch into a discussion. One thing is almost guaranteed: the discussion will range far beyond what we originally intended. I’ve certainly learnt things. I would say I learn something new every week, even if it’s that everybody is wrong except me!

Have a look at our programme for the coming weeks and see if there’s anything that grabs your interest. I should say though, that we nearly always end up discussing a much wider range of stuff than the topic implies.

Do you fancy joining in? If you do you’ll be most welcome. You shouldn’t feel daunted. We don’t all feel we have to contribute every week. Indeed, sometimes I just sit and listen for the entire meeting. And we’re not a bunch of intellectuals. Well, I think I’m an intellectual but somebody usually puts me right.

Chris Taylor—Group Leader

The Group is enjoying a Summer Holiday and will be back in action in September!

15 September: Happiness—What makes us happy? Friends? Family? Security? Wealth? Achievements? Academic studies often find that people think they are less happy than they used to be. Is this true? Is the pursuit of happiness futile?

22 September: Power hungry—There are proposals to ban petrol powered cars and rely on electric ones. Similarly there are plans to replace gas boilers with heat pumps for domestic heating. Can our electricity supply system cope? What are the consequences if it can’t?

29 September: The NHS—This year is the 75th anniversary of the foundation of the NHS. Is it still doing a good job? Was it ever? If it isn’t, what’s the reason? What are the implications for people who need long term care?

6 October: In our Time—The BBC has hundreds of episodes of its radio 4 programme “In our time” available on BBC Sounds (used to be iPlayer). It’s a discussion programme chaired by Melvyn Bragg and it covers a wide range of topics: art, sciences, religion, history etc. A bit like our discussion group, but perhaps not so learned. A group member will suggest an episode for the rest of us to talk about. We can even listen to it beforehand if we want.

13 October: What have the Romans done for us? - They’ve influenced our language, our laws and our transport systems. Or have they? Would we have developed much the same society without their influence?

20 October: What did the Normans do for us? - ...apart from invading and taking over. Arguably their influence is more recent than the Romans’ and maybe it’s therefore more important. I’m sure one of us will know and the rest will argue with them.

27 October: Big numbers—We’re all bamboozled by big numbers. Anything more than a thousand and our brains struggle to cope with appreciating the size of it. How do we express numbers once we get past a trillion? How many grains of sand are there on a beach? Can you think of a number that no one else ever has? (Yes. It’s easy)

3 November: Member’s choice—A group member will suggest a topic for us to discuss. No prior warning given. A bit like in our time but you don’t have to listen to a radio programme.

10 November: Unintended consequences—Decisions have consequences. Sometimes they are what we expect, but sometimes you get something entirely different. If governments do this the outcome can be serious. We’ll discuss a few examples, and I’m sure members will bring their own examples.

17 November: Forgiveness—People do bad things and are punished. Sometimes it doesn’t end there. The person might lose their job, their family and friends, and their reputation. As a society should we be more forgiving? Or do wrongdoers get what they deserve?

24 November: Prison and punishment—Imprisonment has been used as a punishment for hundreds, if not thousands of years. Is there a better way of dealing with those who offend?

1 December: Sainthood—If you had the power, is there anybody you would nominate for Sainthood? What do you think it means for somebody to be a saint?

August Birth Flowers—Gladioli and Poppies

The gladiolus flower is the traditional flower of a 40th wedding anniversary, symbolising faithfulness and infatuation. They are also said to represent integrity and strength of character. They can also symbolise different things, depending on their colour.

A white gladiolus symbolises purity.

Yellow gladioli convey happiness and friendship.

A pink gladiolus symbolises non-romantic love.

A red gladiolus symbolises deep love

As well as being traditional symbols of remembrance, poppy flowers are also said to represent imagination, dreams, regeneration and luxury.

The yellow poppy symbolises success

The orange poppy represents health and wellbeing

The pink poppy expresses non-romantic love

The white poppy conveys sympathy
