

## Message From the Chairman

Hello and Welcome to the September Newsletter.

As usual we have our Open Day in place of the Monthly Meeting on 14<sup>th</sup> September. Come along to the Community Centre and check out groups, bring friends who may be interested in joining us and have tea and a piece of cake!

We are also holding a stall in the market the week before, on Thursday 7<sup>th</sup> – do pop by to say hello and if you can spare a few minutes to chat to passers by about your experience of u3a so much the better. If you can help to run the stall please do let me know, however short the time you can manage.

As announced at the August meeting, renewal of your membership will not be due until 1<sup>st</sup> April 2024, this is to use up a small amount of excess reserve. The committee felt this was the fairest way of benefiting the whole membership.

*Maggie Bray*

## September

September is the most popular month to be born. Nine out of ten of the most popular birth dates are in September with the 9th being the most popular date.

## The Lost Days

In 1752 Britain decided to abandon the Julian calendar in favour of the Gregorian. By doing so, the 3rd September instantly became the 14th September - and, as a result, nothing whatsoever happened in British history between 3rd and 13th September 1752.

## Geology Group

**Indoor Geology Group meetings will resume on Thursday 14th September**

and will then be held on the 2nd and 4th Thursday of each month in the Driffield Town Cricket and Recreation Club 10am-12noon until our last meeting of the year on Thursday 14th December

Help at the U3A Open Afternoon on 14th September will be needed, please let Kathy know if you are available for all or part of the afternoon.

Our meeting on **Thursday 12th October** will be a presentation by our friend Richard Myerscough titled "Geo- Archaeology of Roman Sites"

*(NB reminder that we are on refreshment duty at the monthly meeting that afternoon)*

For further details please contact  
the Group Leader **Kathy Chilver— 01377 255052**

## Dates in History

## The Games Group

The Games Group is an amalgamation of three separate groups (Mah Jongg, Rummikub and Scrabble) who meet together to defray costs. They all meet on the second and fourth Tuesday of each month at the Cricket Club from 2pm—4 pm. This is a friendly social occasion with tea, coffee and biscuits.

The Rummikub group is organised by Carole and Kay. “Kay and I started this group after Kay taught me Rummikub a few months ago and I became totally hooked. If you have played the card game Gin Rummy you will find Rummikub is similar but using numbered tiles. It is great fun and the group has a mix of people, some play regularly and others only twice monthly with the group. It certainly keeps your mind active and you would soon pick it up. We are happy to give you all the help you need, so don't be shy, come along and give it a try.”

Denise who runs the group says “Mah Jongg is a game that originated in China played with 3 or 4 players using 144 pieces called tiles. The goal is to get Mah Jongg by getting all 14 of your tiles into 4 sets and a pair. A pair is 2 identical tiles and a set is either a “Pung” which is 3 identical tiles or a “Chow” which is a run of consecutive numbers in the same suit. Extra help will be given to beginners. All are welcome.”

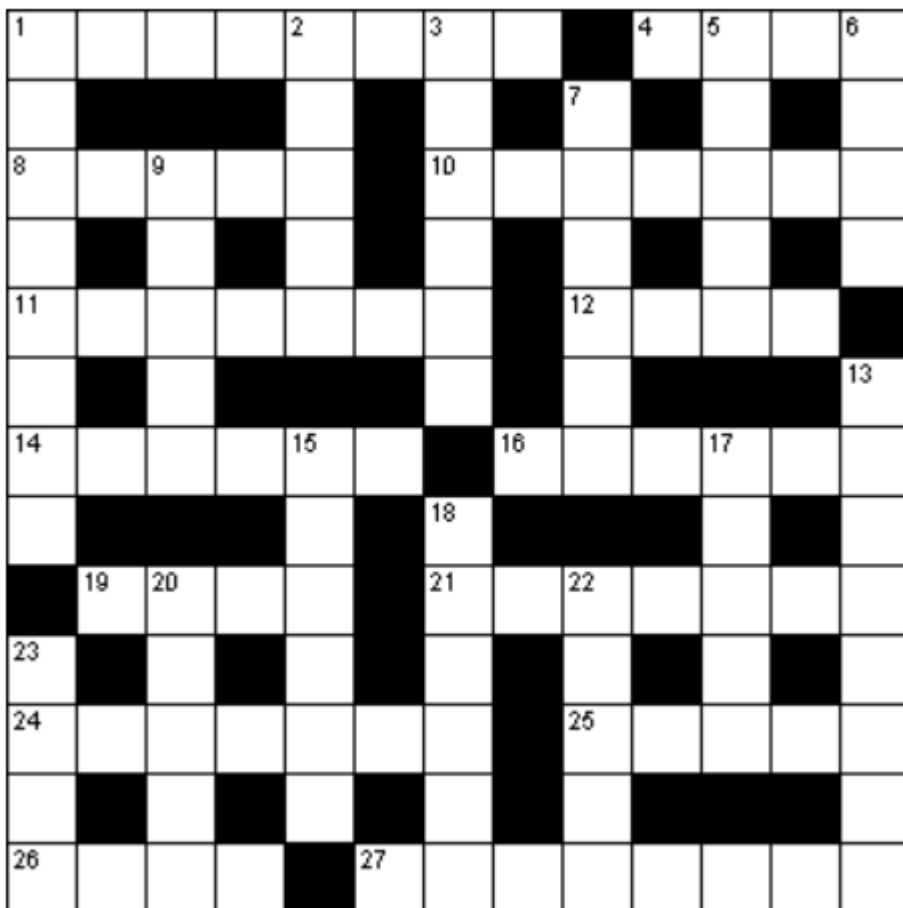

Gerald runs the scrabble group. He says “it is a thought provoking game where you have to think and also have a bit of luck in the tiles you choose. Words are created and a score kept on a friendly social basis.”

We would be pleased to see anyone who is interested in any of our three groups to drop into one of our meetings with no obligation. Patient help will be given to anyone interested in any of the games even if you have no experience.

**Our next meetings will be on  
12th and 26th September  
We look forward to seeing you!**

## September Birthstone

The September birthstone is sapphire – a gem that's been cherished for thousands of years. Although the term *sapphire* usually refers to the blue variety of corundum (ruby is the red variety), this birthstone comes in a rainbow of other colours.

Sapphires have been long associated with royalty and romance and are also said to symbolise fidelity and the soul. "Sapphire" comes from the Greek word *sappheiros* and blue sapphire is one of the most popular coloured stones.

Kashmir, Myanmar (formerly Burma) and Sri Lanka are three historically important sources for the September birthstone. Significant quantities of the sapphire have also been found in Australia, Thailand, Cambodia, Madagascar and the United States (Montana), among other countries in Asia and Africa.

## Away Days

Outings will take place approximately every six weeks starting in March through the summer months with a Christmas outing to include a Christmas market and a meal.

Coach departs from Driffeld Rugby Club Car Park at 9.00am

and approximately 4pm from venue arriving back in Driffield at approximately 6pm

Food may be available at or near the Venue or you can take a picnic lunch with you

Please book early by emailing: [maureenblackwellu3a@gmail.com](mailto:maureenblackwellu3a@gmail.com) or by phoning 01377 253183

Thorp Perrow is also a leading centre for raptor conservation.

**24th October—Annual Planning Meeting at the Community Centre—2.30pm**

Everyone interested in the trips for 2024 is welcome to attend.

## September Birth Month Flowers

September has two birth month flowers, the **morning glory** and the **aster**. Morning glories are adorable little flowers full of colour that represent love, affection and longing. They have been used as medicine and as important symbols for hundreds of years, especially in China. Asters are wonderfully vibrant wildflowers, ranging from white and red to pink and yellow. Asters were named after the Greek word for 'star' because, when the Greek god, Astraea, was upset by how few stars there were in the sky she started to cry. And where her tears hit the ground, they turned into asters.

## U3a Holidays—2024

### Holiday to Scotland—6th January 2024

We have secured this holiday with Cairngorm Travel. Total cost is £239 pp. We are booking direct through the coach company Cairngorm and deposits are required before 30th August 2023. We will be staying at the Duke of Gordon Hotel in Kingussie - with full highland breakfasts, 5 course candle lit evening meal, hotel portorage and entertainment every night. Pick up and drop off is in Driffield. We have some excursions on our itinerary and entrance fees/fares are not included. The deer Safari is restricted to 30 passengers so we may need to split this between different days. Hopefully, unless the weather is particularly bad, the funicular railway should be running to take us up the mountain. We have just had a couple of late cancellations and therefore there are still some places available if any of our members would like to join us. There is only one single room left (with a very small surcharge) but some twin/doubles are still available. We would like to travel as one group and may open this out to non-members if we can't make this viable—just to top up numbers. There is a time limit for late booking/deposits so please contact Ann Wilkinson on 07747 102635 or by email [wilkynaff@yahoo.co.uk](mailto:wilkynaff@yahoo.co.uk) in the first instance for details of how to book.

### Holiday to Southern Ireland September 2024

Please would all those members who expressed an interest in joining us on this holiday please check their emails/junk/spam as we are sending out details of how to book/reserve your place and pay a small deposit to secure your holiday by email and by letter to those without email. The attachment should be self explanatory - the booking team are extremely helpful and keen to meet everyone's individual needs. We have negotiated the single traveller supplement down as much as possible. Please do not pass your individual emails/letters on how to book on to others - we are over subscribed for this holiday and everyone on our original list gets priority - this is only fair. If we find that we have any spare places then we will open it up to those on our cancellation list. This information will also be available in our monthly newsletter.

For all enquiries please contact Ann Wilkinson—[wilkynaff@yahoo.co.uk](mailto:wilkynaff@yahoo.co.uk) or phone 07747 102635

### Digital Photography Group

We meet in the Community Centre on the third Monday of each month - 10am-12noon

Our next meeting will be on Monday, 18th September

All members are interested in progressing their knowledge and expertise, each contributing to our meetings. We have a monthly theme, and one or two informative videos to expand our knowledge and experiment with taking pictures out of our comfort zone!

If you are interested in joining our Group please contact

Penelope Kinsley on 07837 604166

## The Discussion Group

The group meets every Friday at 9:30 am in the Drifffield Community Centre  
All u3a members are welcome to join us

**15 September: Happiness**—What makes us happy? Friends? Family? Security? Wealth? Achievements? Academic studies often find that people think they are less happy than they used to be. Is this true? Is the pursuit of happiness futile?

**22 September: Power hungry**—There are proposals to ban petrol powered cars and rely on electric ones. Similarly there are plans to replace gas boilers with heat pumps for domestic heating. Can our electricity supply system cope? What are the consequences if it can't?

**29 September: The NHS**—This year is the 75th anniversary of the foundation of the NHS. Is it still doing a good job? Was it ever? If it isn't, what's the reason? What are the implications for people who need long term care?

**6 October: In our Time**—The BBC has hundreds of episodes of its radio 4 programme "In our time" available on BBC Sounds (used to be iPlayer). It's a discussion programme chaired by Melvyn Bragg and it covers a wide range of topics: art, sciences, religion, history etc. A bit like our discussion group, but perhaps not so learned. A group member will suggest an episode for the rest of us to talk about. We can even listen to it beforehand if we want.

**13 October: What have the Romans done for us?** - They've influenced our language, our laws and our transport systems. Or have they? Would we have developed much the same society without their influence?

**20 October: What did the Normans do for us?** - ...apart from invading and taking over. Arguably their influence is more recent than the Romans' and maybe it's therefore more important. I'm sure one of us will know and the rest will argue with them.

**27 October: Big numbers**—We're all bamboozled by big numbers. Anything more than a thousand and our brains struggle to cope with appreciating the size of it. How do we express numbers once we get past a trillion? How many grains of sand are there on a beach? Can you think of a number that no one else ever has? (Yes. It's easy)

**3 November: Member's choice**—A group member will suggest a topic for us to discuss. No prior warning given. A bit like in our time but you don't have to listen to a radio programme.

**10 November: Unintended consequences**—Decisions have consequences. Sometimes they are what we expect, but sometimes you get something entirely different. If governments do this the outcome can be serious. We'll discuss a few examples, and I'm sure members will bring their own examples.

**17 November: Forgiveness**—People do bad things and are punished. Sometimes it doesn't end there. The person might lose their job, their family and friends, and their reputation. As a society should we be more forgiving? Or do wrongdoers get what they deserve?

**24 November: Prison and punishment**—Imprisonment has been used as a punishment for hundreds, if not thousands of years. Is there a better way of dealing with those who offend?

**1 December: Sainthood**—If you had the power, is there anybody you would nominate for Sainthood? What do you think it means for somebody to be a saint?

### From The Treasurer—How your funds are managed.

As a committee, we make sure that your funds are managed to make your u3a run as smoothly as possible. As Treasurer, I deal with the income and payments and report monthly to the committee. The main income is by way of membership fees. We then get a small top up by claiming Gift Aid on the fees (only when a member has completed a form to allow this).

The main outgoings are:

£4 per member to Third Age Trust

£1 per member for the use of Beacon (Internet website and membership database)

£4 per member for those who receives the magazine

Monthly meetings – the entry fee covers some of the costs

Assets – items such as laptops, PA system, projector etc have to be replaced from time to time

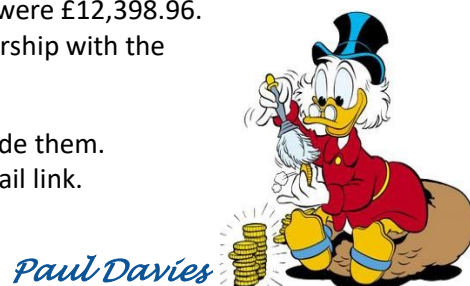

Special events – Open Days, Christmas party, Coronations etc.

Printing – newsletters, welcome leaflets etc.

As reported at the AGM, last year's income was £14,390.50 and outgoings were £12,398.96. This meant that we could extend membership for 6 months to align membership with the financial year as it was before covid.

If anyone would like more details, I would be happy to provide them. You can contact me via the website email link or Beacon email link.
