

RAMBLERS GROUP

19 November 2019 Rufford Poacher's Walk

This walk took us from the Limes Café at Bilsthorpe to follow parts of former poacher's trails, as the name suggests. A welcome break in weather provided a clear crisp day as we enjoyed the frost covered foliage and trails on our way on paths through Sherwood pines. A brisk walk of about 8.5 miles topped by a delightful lunch at the Limes Café.

RAMBLERS'S. CHRISTMAS LUNCH 3 DECEMBER 2019

The Rambler's Christmas Lunch doesn't come easy because we have to do a walk beforehand. This year we met at the Bella Vita Restaurant our lunch venue to walk to Buck Gates the high point above Edwinstowe, where we met other members who had made their way from Edwinstowe. The walk was very pleasant with clear blue

skys and comfortable temperatures. We were rewarded at the half way point with a pleasant tot from Stefan's Vodka collection (thank you Stef) before making our way back to the Bella Vita for an excellent lunch amongst delightful and congenial company. Thank you to all who have participated this year and contributed to great walks and the fantastic company you provide. Our next walk is not until until 5 January 2020 look forward to meeting then, Merry Christmas and Happy new Year to all.
